This list is not exhaustive and there are other forms of discrimination which will not be tolerated.

e) Equal Opportunities survey form:

We use this information to monitor our recruitment and selection practices and our workforce profiles to see how well our workforce represents the communities that we serve. We also require this information from internal candidates to obtain a true picture of our workforce profile. Please complete the form and return it with your application. This part of your application form will be detached before your application is considered against the selection criteria for the post.

f) Job Sharing

It is the policy of Debenham High School to consider applications for job sharing for all full time posts unless this is not practicable in the circumstances that apply. You do not need a job share partner in order to apply to job share.

g) Disability / Health

If you have indicated that you have a disability or long term medical condition and provide evidence that you meet all the essential criteria on the person specification (with any reasonable adjustments), you will be offered an interview as part of the school's commitment to the employment of people with disabilities.

Please tell us about any reasonable adjustments that would help you apply for this post or carry out the job. Please also tell us if you would have difficulty lifting heavy objects where the job could require this. The school may be able to make alternative arrangements. We may also be able to provide sign language interpreters, time off for treatment, rest breaks during the day, special equipment, workplace adaptations etc.

All employees are required to complete either a health/disability declaration and/or a medical questionnaire after a conditional offer of employment has been made, depending on the nature of the work. Some employees, especially those who handle food or who work with vulnerable groups such as children, may also be required to attend a medical examination.

Definition of disability

The [Equality Act 2010](#) defines a person as having a disability if she/he has a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on his/her ability to do normal daily activities.

This includes impairments, lasting or likely to last at least 12 months, or likely to recur, to one of the following:

- Mobility
- Manual dexterity
- Physical co-ordination
- Continence
- Ability to carry, lift or otherwise move everyday objects
- Speech, hearing or sight (not where sight is corrected by wearing spectacles or contact lenses) memory or ability to concentrate, learn or understand
- Perception of risk or danger

The term impairment includes progressive and long term conditions such as diabetes, epilepsy and cancer.

The school will make reasonable adjustments to the recruitment and selection process and to the post for successful candidates where the need for these is made known by the applicant / employee.

3. PRESENT POST

a) **Status**

Candidates should ensure that they have indicated clearly their teaching status, as this has an effect on the level of salary paid. Further Education Teachers who have qualifications to teach in the further education sector can work in maintained schools in England as qualified teachers if they have achieved the full professional status of qualified teacher learning and skills (QTLS) with the Institute for Learning (IfL).

Applicants whose qualifications were obtained abroad must provide written evidence from the Teaching Agency (England) that their qualified status is valid in England and Wales. The possession of a Teacher reference number does not automatically indicate qualified status.

b) **Salary**

It is most important to include details of the composition of your present salary in Section 3.

4. REFERENCES

a) **Applicants for Headship and Deputy Headship posts**

The first referee should be your present employer. This would normally be the Director, Area or Divisional Children and Young Peoples' (CYP) Officer, as appropriate.

For candidates currently at Deputy Headteacher level or below, the second referee should be the present (or most recent) Headteacher or Principal. If you are a serving Headteacher you should give the name of another person who is familiar with your professional work.

b) **Applicants for other teaching posts**

The first referee should be the Headteacher or Principal of your present (or most recent) school, college or place of employment. The second referee should be another person who is familiar with your professional work.

c) The school reserves the right to approach any previous employer during the previous five year period for a reference and may specifically ask for details of any disciplinary / conduct records.

5. HEALTH

The school reserves the right in appropriate circumstances to require applicants to produce a certificate of fitness from an approved medical practitioner after a conditional offer of employment has been made.

6. CONVICTIONS

Rehabilitation of Offenders Act, 1974 (Exceptions Order, 1975)

Please note that applicants for posts in schools are not entitled to withhold information about past convictions, "spent" or otherwise, under the terms of the above Act. The Act made a specific exception in respect of employees in schools or establishments for further education and any other employment which is carried out wholly or partly within the precincts of a school or further education establishment which involves access to persons under the age of 18 as part of the employee's normal duties.

You must disclose any * past convictions, cautions or bind-overs at the time of your application. In the event of employment being offered and taken up, any failure to disclose such convictions is likely to result in disciplinary action by the school which may lead to dismissal.

* The amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria

on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website, <https://www.gov.uk/government/publications/dbs-filtering-guidance>

Any information may be given on a separate sheet from your application form and will be kept completely confidential. It will be considered only in relation to an application for positions to which the Exception Order applies.

In addition, the school, on Home Office advice, will require the successful candidate to agree to an enhanced Disclosure & Barring Service (DBS) check for convictions which may or may not be relevant to the appointment. A separate authorisation form will need to be completed after the interview and you will be required to bring in your DBS certificate for inspection by the school, as soon as you receive it, in order to verify its authenticity and record the certificate's number on the school's Single Central Record.

Similarly, if you already have a current DBS enhanced disclosure certificate you will be required to produce your original certificate for inspection by the school, either at interview or prior to commencement of your employment.

If you subscribe to the DBS Update Service you will be requested to give permission for the school to [go online](#) to carry out a check to find out if the information released on the DBS certificate is current and up-to-date.

If you do not subscribe to the DBS Update Service you will be required to apply for a new DBS enhanced disclosure, unless you are moving directly from a Suffolk LA maintained school, academy or free school with a break in service of less than three months.
