

Monday 6 March

Our French Exchange students are thoroughly enjoying their linguistic and cultural experience near Caen. For updates on what they have been up to follow our Twitter account @Debenhamhigh. You can keep abreast of what they have been doing and see just how much they are enjoying themselves. Don't forget that sports results and other notable achievements are also captured on our Twitter feed. Most recently, our newly formed Ski Team, beat Woodbridge School in their first competitive outing. Well done to all the team but especially Mia Francis (1<sup>st</sup>), Lewis Fulcher (2<sup>nd</sup>) and Charlie Bagnall (4<sup>th</sup>).

On Tuesday this week we are delighted to welcome Bishop Martin and Bishop Mike as they call at the High School as a stop on their pilgrimage during Lent. They are walking across the diocese from Dunwich to Bury St Edmunds and we are delighted that they are making a stop at our school on Tuesday morning. They will talk to some students about their thoughts at feelings of the world today and then some students will accompany them for a short while as they head towards Stonham Barns. You can follow their reflections here:

On Friday this week Year 9 students will receive their Annual Report, which will form the last part of the jigsaw in considering their options for Year 10 and 11 study. If parents and carers have any further questions before their son or daughter makes their choices then please do not hesitate to contact us.

If you missed the annual Friends of Debenham High School Quiz you missed out. Competition was fierce as the teams battled it out for the coveted trophy. The Green family were victorious for the second year running, narrowly beating the team that has come second for the last three years. How would you have fared on these questions? NO cheating on google!

- What did Judas receive for betraying Jesus?
- What name is given to the liquid part of the blood?
- Name the British athlete who won the 100m, men's breaststroke in Rio, 2016.
- In a medieval castle what name is given to the opening in a wall from which canons are fired?

Our thanks to the Friends for their organisation and all those who supported the event.

Julia Upton
