

Monday 21 November

Year 8 and 9 students served the school and their local community well last week as they raised over £900 for Children in Need and E.A.C.H. charities. They washed cars, dodged balls in the sports centre and showed their dance moves in a dance off. On Friday you could have been forgiven for thinking that you had spots before your eyes as staff and students wore something spotty for the day.

Last week our football teams travelled far and wide in different national competitions. Unfortunately the Under 16 Girls Team were unsuccessful after their long drive to Spalding, but they played very well in a tense 2-0 encounter.

This week, Year 11 students start their mock examinations in earnest. With Art exams last week, this week they see how their preparations have gone so far as they get a flavour of what the summer will be like in all other subjects. For the full programme please [click here](#).

The main event this week is the Friends of Debenham High School Annual Quiz. Competition will be fierce with the Green family taking the spoils last year. Will the staff team conquer once again? Or will the Wetheringsett ladies finally prevail? Contact the school for your team tickets for Friday night, starting at 7.00pm.
