

Monday 11 June

On Friday last week, we invested our new prefect and student leadership team, in our whole school assembly. Students are selected because of the positive attitudes they have displayed, the fortitude that they have shown, the manner in which they have worked to do their best but equally the manner in which they have behaved towards others. Congratulations to all students selected:

Head Girl: Elise Dix

Deputy Head Girl: Beth Maundrell

This week Year 8 students head to Southwold on Monday or Friday for a spot of Geography fieldtrip work and on Wednesday we gear up to get the school out to watch the Women's Tour of Britain, as they ride right past the school gates.

I end with our school prayer, which we shared together during the service.

Lord, as we learn and work together in the family of this school, may we remember the example of Jesus and treat others as we would like to be treated – with respect and kindness.

May we strive to achieve our best in whatever we try to do and we ask that your guiding grace helps protect us and steer us through all our challenges and problems.

*Through Jesus Christ, Our Lord,
Amen*
