

Monday 1 July

It was a pleasure to see so many parents and carers at our Sports Day last week. I'm glad that the weather was more temperate than at the weekend, perfect conditions for some excellent performances. Owen House were the eventual winners, for the first time in our history. This week we celebrate the sporting performances of our students across the whole year in our Sports Awards Evening on Wednesday. We are delighted that XXXX is presenting the awards for us this year.

This week we hope once again for fair weather as we put on our summer production. Our summer music and drama event this year will be held in (and outside) the Community Centre at Debenham Leisure Centre. Feel free to bring a picnic as you listen to the musical performances from 6.00pm and then move inside to the dramatic delights of Oliver! Tickets are available on Parent Gateway and selling fast.

On Wednesday we welcome Frank Bright, holocaust survivor, once again to the school. Frank will talk to our Year 9 students, in part about his experience, but more than that how he has forgiven and what he has done since.

Finally, this week is our Year 7 charity week. Our students have chosen to support Cancer Research and are leading the following activities across the week:

Monday - Cake sale

Tuesday - 60 second football shootout

Wednesday - Ice lolly sale at break/lunchtime

Thursday - dodgeball in the sports hall

Friday - Non uniform day (theme of pink and blue) and photobooth
