

Monday 5 November

This week we welcome back our recently departed Year 11 students, as they return for the awarding of the GCSE certificates and prizes for their contribution to the school and academic success. We are delighted that Harriet Johnson, former student, will be joining us for the evening to present the awards and to say a few words of her experience after leaving Debenham High School.

This week our current Year 11 start their Mock Examinations, with their French Oral assessments. Bonne chance à tous. Also this week, students across Year 11 to 9, will enjoy the French Play, always a fun experience.

This week, along with many across the country we consider and remember those who have given their lives for our freedoms. On Friday last week, Year 9 students and Ewan Campbell from Year 11, joined members of the local community in a ceremony to mark the planting of oak trees in the village to commemorate 100 years since the Great War. Students stood in silent contemplation and read poignantly in this service. Well done to Kia Gridley and Ewan, for reading so compassionately.

This week Year 10 students receive their first Interim Report since starting their GCSEs. All observations are that they seem to have made an excellent start to their courses.
