

Monday 24 June

This week we look forward to a highlight in the school calendar, Sports Day. With all students expected to take part in an activity the ethos of this day balances watching record-breaking performances from our elite athletes with the sense of community of friendly inter-house rivalry. Our House Captains will lead their teams, all hoping to lift the trophy.

Parents and carers are welcome to attend the event from 9.30 onwards. Fingers crossed for the weather. On Tuesday Year 8 students head out on their RE trip to Coventry. In Year 8 students study the story of Coventry Cathedral and consider forgiveness and reconciliation in the context of studying the story of Jesus.

We look forward to seeing our Year 11 students at their Prom, on Thursday 27 June at Thornham Manor, to celebrate the end of their examinations and the passing of their time with us.

Finally, we hope the weather holds for our Silver Duke of Edinburgh Award as the students complete their final assessed expedition this coming weekend.
